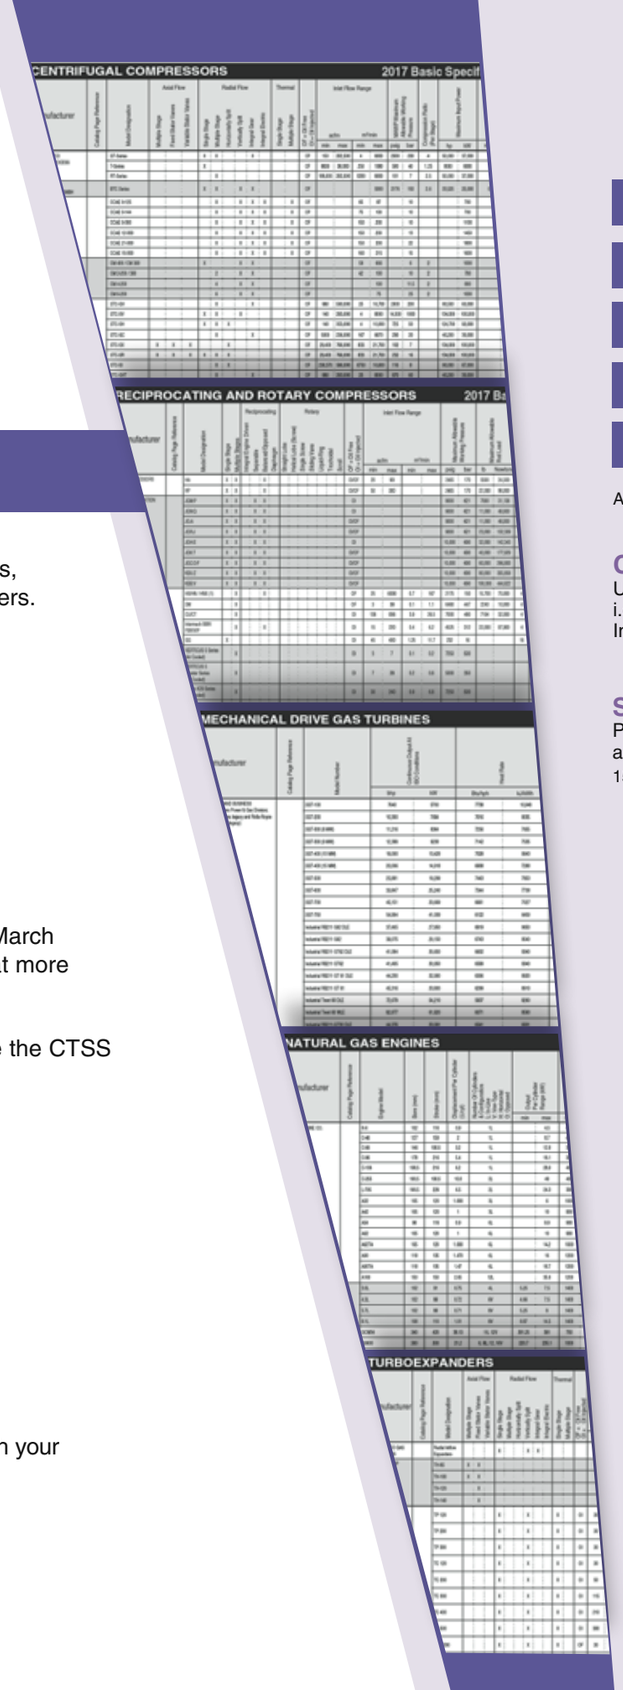
SOURCING SUPPLEMENT

Nobody Has Specs Like We Have Specs



A comprehensive guide covering compressor and driver specifications, compressor fundamentals, reference materials, products and packagers.

Find specifications for:
- Reciprocating/Rotary Compressors
- Centrifugal Compressors
- Turboexpanders
- Mechanical Drive Steam Turbines
- Mechanical Drive Gas Turbines
- Natural Gas Engines
- Variable-Speed Drives
- Electric Motors

Users include:
- Engineers
- Service Technicians
- Operators
- Trainers

The *Compression Technology Sourcing Supplement* is published in March and distributed to all 14,500 plus *COMPRESSORtech²* subscribers, at more than 20 tradeshows worldwide and online at www.CTSSnet.net.

In-House, University, Conference and many other training outlets use the CTSS as a reference textbook and student handout.
Contact ksilvey@dieselpub.com to request copies for your program.

Advertising packages include:
- Print ads with logo in directory listings.
- Online profile with description, contact information, links to website, social media and ad pages.
- Web ads: 180 w x 150 h ads for all advertisers.
- Products listings in print and online.
- Custom editorial space for up to 3 items tagged for profile and Product Section.

Sponsorship opportunities:
Book a **Product Section Tab** and the online section will be branded with your 728 w x 90 h web ad and logo.

Product Specifications and Advertising Deadline:
December 15, 2017
